

How to Replicate a Competition

If most details of your annual or seasonal competitions are the same each time, you can replicate an existing competition.

<p>1</p>	<p>In the Competitions Dashboard, select + Replicate Competition on the right-hand side of the screen</p>	
<p>2</p>	<p>Select which competition to replicate by using the drop-down menus for Year and Competition Name</p>	
<p>3</p>	<p>Follow the prompts to enter the details for the new competition</p>	

<p>4</p>	<p>Select the settings you want to keep from your previous competition set up then select Review at the bottom of the screen</p>	
<p>5</p>	<p>You can now check the set-up of your replicated competition and add any additional details</p>
